

About Us

Mr. W. Allison Blackman founded Blackman Detective Services in 1993 after 30 years of exemplary service, retiring as a homicide detective with the Raleigh Police Department.

Mr. Blackman's team of highly qualified professionals include retired law enforcement officers as well as seasoned private investigators, whose combined knowledge and expertise, provide each client with efficient, thorough and professional investigations.

For over 16 years, Blackman Detective Services has worked extensively with a variety of law firms and insurance industry professionals as well as public and private businesses.

What We Provide

Blackman Detective Services provides consistent and professional services tailored to the needs of the individual client and is backed by strict integrity and confidentiality.

BDS provides a **FREE** initial consultation to evaluate the specific needs of each client's case. During the discovery process, we provide timely updates on the progression of the investigation, and following the conclusion of the case, each client is given a complete detailed report, including any and all video or documents obtained during the investigation.

We are here to provide the facts and knowledge our clients deserve and we always, "Stand behind our work."

Blackman Detective Services is one of the most respected and well-known Private Investigation firms in North Carolina, backed by a team of retired police detectives, experienced private investigators and trained research and technical support staff.

Blackman Detective Services serves the entire great state of North Carolina.
